

Job Title: ARCHITECTURAL BIM DESIGNER

Location: Prishtina, Kosovo

Company Overview:

Spaxel is a growing real estate investment, development, and operations company dedicated to creating high-quality living experiences and delivering exceptional service across our portfolio. Our centralized teams support a wide range of functions, from operations and property services to finance, technology, HR, and more, working together to ensure efficiency, innovation, and excellence across the organization.

Position Summary:

We are seeking an **Architectural BIM Designer** to join our Virtual Design & Construction (VDC) team and contribute to projects from early concept through full construction documentation. This is a hands-on, design-focused, and detail-driven role with a strong emphasis on residential interior design and BIM execution.

You will work on real projects primarily for the U.S. market, with the opportunity to see your designs directly influence construction outcomes.

Join a VDC-oriented team that values precision, collaboration, and design quality, while expanding your expertise across architecture, interiors, BIM, and visualization.

Key Responsibilities:

- Develop architectural and interior design projects from concept design to construction documentation
- Produce high-quality BIM models in Revit aligned with real construction workflows
- Prepare interior layouts, elevations, details, and schedules
- Translate design intent into clear, coordinated construction drawings
- Create 3D views, visuals, and renderings to support design presentations
- Maintain model accuracy, graphic quality, and documentation standards

Qualifications & Skills:

- **English communication skills** (both written and verbal) are a must
- Proven experience developing projects from concept to construction drawings
- Strong background in residential interior design

- Solid 3D/BIM modeling skills in Autodesk Revit
- Strong interest in interior detailing, materials, and finishes
- Excellent graphics and presentation skills
- Ability to generate 3D renderings
- Proficiency with the Autodesk suite, especially Revit
- Familiarity with other Autodesk-related software and tools is a plus
- Experience working on projects for the U.S. market is a strong plus, but not required

What We Offer

- **Professional Growth:** Opportunities for learning, growth, and career advancement within an expanding real estate company.
- **Work Environment:** Be part of a dynamic, forward-thinking team with a global impact.
- **Compensation:** Competitive salary package, commensurate with experience
- **Contract:** In accordance with Kosovo Labor Law
- **Office Location:** Prishtina
- **Schedule:** Monday–Thursday from 2:30 PM to 11:00 PM. After the first three months, employees are eligible to work remotely on Fridays from 12:30 PM to 9:00 PM.

If you are motivated, eager to learn, and looking to build or advance your career in BIM and architectural design, we encourage you to apply!

How to Apply:

To apply, please complete the application by filling out the [Recruitment Application Form](#). If you have any questions, feel free to reach out to us at careers@spaxel.com.

Only shortlisted candidates will be contacted.

Deadline: 20.02.2025
